Proposed Project

Person Submitting Proposal

Amount Requested

E-mail address

These funds are intended to support one time project costs. In the past, they have supported various outreach programs, research efforts, and conference trips. To be eligible for this award, you must:

1. Be a Purdue University Engineering student organization.
2. Be able to have at least one representative present at the banquet held in honor of all recipients on April 11, 2010.
3. Submit the above information and responses to the following questions by 5:00 p.m. Tuesday, March 23, 2010 to the PESC office, Civil G216A.
4. Be able to have at least one representative attend an interview regarding this petition on March 29 or 30, 2010.

Please attach your responses to the following questions to this form:

1. State the basic purpose or goal of your organization at Purdue University.
2. Describe how your treasury is organized and your sources of funding.
3. In detail, describe the proposed project. Include all plans, financial requirements, and project timelines.
4. Explain how this project will impact the engineering student body.
5. Is your organization financially stable enough if you can only receive partial funding?

If you have any questions, please send an e-mail to tteykl@purdue.edu.

Please submit petitions to: Purdue Engineering Student Council
Attention: Tyler Teykl
Civil Engineering Building, Room G216A
W. Lafayette, IN 47907

Petitions due by: 5:00 p.m. Tuesday, March 23, 2009.
